

BRANCHING OUT IPM NEWSLETTER

Benefits of Subscribing

- Receive timely information on all aspects of insect, mite, and disease management for the northeast United States, with emphasis on New York State.
- Guide your pest management activities toward windows of maximum opportunity.
- Improve your diagnostic skills.
- Keep yourself aware of new developments in IPM.

Description

- Faculty and staff in Cornell's Department of Plant Pathology, in cooperation with Cornell Cooperative Extension educators, developed this IPM newsletter.
- Pest information is gathered throughout the growing season via on-site scouting at selected locations from Long Island to Rochester. This information, together with tips from professional and trade literature, is used to prepare up-to-date articles of interest to you.

Cost and Ordering

The cost of *Branching Out* is \$40 for the 2006 season. (*Limited-time offer: If postmarked by February 28, 2006, the cost is only \$35.) All subscriptions run April through September. Back issues are sent to late subscribers. To subscribe, fill out this form and send it, together with your check or money order payable to Cornell University, to:

Branching Out, Department of Plant Pathology, Cornell University, 334 Plant Science Building, Ithaca, NY 14853
